

AMELA Board Meeting
3/17/19

Meeting Time: 9:34pm – 9:53pm

Members Present:

Gavin Kremer
Clara Nguyen
Zach Kaufman
Kendall Haworth
Eli Zupke

Zach had medical leave

Goal for this meeting:

Sort out the version control issues. Update media models, begin working on subscription slots.

What was accomplished:

Gavin prepared JWplayer as a backup, and got geckz.me domain linked to the concept site.

Zach almost completed watch history. Just working on a few changes to models.

Kendall worked on the inbox more. Can now see sent messages and also prevents users from seeing other private messages.

Clara fixed navigation bar clipping issue. Started a rough profile page.

Eli was traveling.

Goals for next meeting:

Extend fields for several models, like message contents, comment contents, and filepaths.

Further front-end stylizing.

Begin subscription slots.
