

AMELA Board Meeting  
4/17/19

Meeting Time: 9:33 pm – 9:56pm

Members Present:

Gavin Kremer  
Zach Kaufman  
Clara Nguyen  
Kendall Haworth  
Eli Zupke

What was accomplished:

Gavin added transaction history to account page and made it so users could only choose profile pictures from a preapproved list. Fixed issue with css not working on live site sometimes. Fixed bug that caused user search to crash. Fixed bug that caused other user profiles to be forbidden.

Zach reviewed other team members code, merged open pull requests, and fixed a bug that prevented posting comments if pagination was on. Fixed bug that linked two paginated objects on one page. Cannot unsubscribe to show multiple times.

Clara stylized profile picture selection page. Added some return buttons to some pages. Made unsubscribe button only show if subscribed. Fixed spacing issues on profile. Tweaked inbox and pagination.

Kendall made billing info hide sensitive credit card info, and added more movies to database. Fixed bug that causes billing info to disappear when updated.

Eli created a spreadsheet for test use cases that he will fill in this week. Rolled back some changes our group rejected. Added drop menu for filters.

Goals for next meeting:

Filters as a drop menu
