

AMELA Board Meeting
3/16/19

Meeting Time: 9:32pm – 9:50pm

Members Present:

Gavin Kremer
Clara Nguyen
Kendall Haworth
Eli Zupke

Zach had medical leave

Goal for this meeting:

Find HLS/DASH player for streaming, improve user pages functionality and style

What was accomplished:

Gavin discovered our media source can embed a player straight into the html page and stream the content for us. Also found backup provider called JWPlayer.

Kendall started working on skeleton inbox page.

Clara improved account page and made some minor changes to Eli's search bar. Further improvements to user pages.

Eli implemented search bar functionality.

Goals for next meeting:

Sort out version control issue team had.

Update media model to work better with our current streaming, specifically longer filepaths

Begin working on subscription slots/rentals
