

AMELA Board Meeting  
2/21/19

Meeting Time: 8:32pm –

Members Present:

Gavin Kremer  
Clara Nguyen  
Zach Kaufman

Kendall forgot time was 8:30 on Thursdays  
Eli had personal leave

Previous Goal: Study ER Models

What was Accomplished:

All members researched ER models, learned about the notations, relationship models, tutorials, etc.

Group decided they will make ER model using Crow's Foot notation

Goals for next meeting:

Each member will compile a list of possible entities and attributes in preparation for the planned, in person meeting on Saturday in which the team will conclusively decide on what the data model will look like and create the ER model.

Meeting Adjourned
