

AMELA Board Meeting  
3/13/19

Meeting Time: 9:36pm – 9:56pm

Members Present:

Gavin Kremer  
Clara Nguyen  
Zach Kaufman  
Kendall Haworth

Eli had other commitments

Goal for this meeting:

Get skeleton user page, understand AWS VOD streaming

What was accomplished:

Gavin (hopefully) got the custom domain working for the app site and is in the process of obtaining SSL. Obtained public domain movie and converted it to DASH format.

Zach made views more consistent. Made skeleton user page that displays comments. Began looking into implementing watch history.

Kendall researched AWS streaming, and worked on movie covers.

Clara made improvements to media page style.

Eli had other commitments

Goals for next meeting:

Cloudfront VOD distribution  
Continue building skeleton user page
