AMELA Board Meeting
4/9/19

Meeting Time: 9:31pm – 9:45pm

Members Present:

Gavin Kremer
Clara Nguyen
Zach Kaufman
Kendall Haworth
Eli Zupke

What was accomplished:

Gavin made some tweaks to followers fix and also made script that makes the Django server check payment status every day at midnight, although the card charge function is not complete.

Zach made a way to cancel payment plans and tweaked a few view functions for optimization and performance.

Kendall made password reset form. Email is now sent if user selects forgot password. If you click message button on user page, goes to message page and auto fills username.

Clara made a footer with about that indicates this is an academic project.

Eli had other commitments.

Goals for next meeting:

Charge function will be implemented.
Next goal will be to make site feel smoother and add some more media.
Be able to unsubscribe from show.

Meeting Adjourned
