AMELA Board Meeting
3/14/19

Meeting Time: 9:39pm – 9:55pm

Members Present:
Gavin Kremer
Clara Nguyen
Zach Kaufman
Kendall Haworth
Eli Zupke

Goal for this meeting:
Cloudfront Distribution, Continue Skeleton User Page

What was accomplished:
Gavin configured Cloudflare distribution for delivering site content.

Zach added watch history to the user pages, but thought it could be done better and began researched ways to do so.

Kendall collected images for the media covers. Made skeleton account page and linked it to navbar.

Clara finished the media styles.

Eli got basic search functionality working.

Goals for next meeting:
Find suitable HLS/DASH media player for streaming.
Improve user pages functionality and style
